

The following letter was sent out to Minocqua Winter Park. 12375 Scotchman Lake Rd Minocqua, WI 54548. If you would like to contribute and didn't make it to the Christmas Party, please do so. Send your check made out to Minocqua Winter Park and mention that you're a member of the Nordic Fox Ski Club. It was an arbitrary decision on my part and I hope no one is offended.

Dear Dan and Llona:

At the Nordic Fox Ski Club meeting last Thursday evening, an appeal was made to our membership to support the Winter Park Nordic ski area. Our members responded with a total contribution of \$251. I'm confident that with the support you will receive from all of us who care deeply about what you are doing there, that the Winter Park operation will continue. Your impact is felt throughout the Nordic ski community in providing a skiing area that is second to none, improving the skiing ability of the public, and enhancing the teaching ability of PSI A instructors.

We understand the importance of having a good snowfall this winter; it's just gotta happen! Good luck to you. I'll be up there, hopefully in January (if you can keep the access roads plowed).

We have a couple of active Swedes\* in the club so put Nordic Fox down for the Swedish flag pole.

Scott Smith  
President, Nordic Fox Ski Club

The following appeared in the January issue of Silent Sports magazine:

"The Nordic Fox Ski Club is appealing to its members and other clubs to pitch in with donations. 'It's such a great place and the Clausen's have helped our skiing so much that I thought those of us in the Banana Belt could try and help out' says Scott Smith, president of the club. 'I hope our club will respond generously (you did!) because most of them have enjoyed MWP many times over the past years.' "

I hope our club's name will soon be credited on the following web page:
