

It's been a long, hot, summer, but fall is just around the corner. Time to start thinking about goals for the coming ski season, and also for some ski-specific training.

We still do not have a vice president, but several people have pitched in and come up with ideas for programs for the coming season. Also, we do expect to fill the vice president position for the following season.

Although we haven't had a club meeting in the past six months, the board has been active over the summer. Planning for the Yellowstone trip has continued, our esteemed treasurer has been staying on top of the finances, we've gotten some new members and some additional publicity, we've made arrangements with the Naperville YMCA for our club meetings for the coming season, and of course the newsletter has been coming out regularly. Thanks to all who have contributed to keeping things going over the summer.

Hope to see you at our first meeting of the season on the 15th!

Larry
